Intercessions and Biddings

Selected Prayers for Special Weeks and Sundays

- *Sunday worship leaders while often wishing to make use of the prayer material offered by organisations designating a special Sunday sometimes find the amount of material provided begins to take over the service or the intercessions and consequently even the heart of what is before them may be unused.*
- *The prayer material below consists of a single paragraph which can be included in the Intercessions or Bidding Prayer without overwhelming other parts of the General Intercession.*
- *A few days or Sundays — such as the Christian Unity Octave, Christian Aid Week and the (Women’s) World Day of Prayer — are omitted from what follows because their acts of worship tend to be held outside the main act of Sunday worship.*
- *The origins and background material for many special days and designated weeks can usually be found on appropriate websites.*
- *As the list of organisations or causes now claiming a special week or Sunday is ever-increasing a considerable number of them have not been included.*
